

FACTSHEET

KOSMO & KLAX: TREEHOUSE PARTY

Ready, set, let's go to the treehouse! Kosmo & Klax's cheerful and colorful world is awaiting you, so come and enjoy the gaming fun, adventure and all that there is to discover.

Join the two heroes in fun mini-games while helping them solve tricky tasks such as: Where is the missing nut? What other ingredient does Bibo want on his crêpe? And how do you actually piece an "A", "B" or "C" together?

STORY

Kosmo & Klax live in a treehouse in the valley of the enchanted park. Kosmo, the curious squirrel, is always full of ideas. And Klax, his best friend and enchanted prince in the shape of a little red ball, enthusiastically accompanies him on every adventure.

They like to have their adventures with all their friends: Mr. Hare, Ms. Goose, Knabba, Lilli Graymouse and Bibo Beaver. After all, when everyone's together, things are a lot more fun: Whether they're all looking for food, puzzling letters or making the most delicious crêpes in the valley, the friends from the enchanted park are always there for each other!

HIGHLIGHTS

- Diverse mini-games: Find the nuts, serve the friends crêpes with the right ingredients and get to know the letters of the alphabet with Kosmo & Klax.
- Interactive world: Explore the treehouse with its inhabitants and watch the cute details and animations over and over again.
- Likable cast: Get to know the cute characters from the popular storybook series by author Alexandra Helmig und illustrator Timo Becker.

FUNCTIONS

- Playful learning: The mini-games promote motor skills and the ability to concentrate, and shape perception for young explorers aged three and over.
- Playing and exploring without pressure: The app has no high scores or timers, thus allowing children as much time as they need to discover and play.
- Motivating sounds: Charming sound effects provide even more fun for children.
- Security: The app is completely ad-free and does not include in-app purchases.
- Child-friendly: The app is easily manageable for young users.

»Kosmo & Klax: Treehouse Party« comes to the App Store and Google Play on March 21, 2018.
